

## **Transfiguration**

One day, when Jesus Christ was still on earth in the flesh, He went up on a high mountain, taking the Apostles Peter, James, and John with Him. There He showed them His glory. The Lord shone like the sun, and even His clothes were white and brightly shining.

After the Liturgy on this day, the priest blesses the first fruits of our gardens, which we bring to the Church and share with the poor after the blessing.
